# CASCO BAY LINES ENEWSLETTER

October 2020

## Greetings!

The leaves are beginning to fall and, like most, we're preparing for the cooler months ahead. Here at CBL, our off-peak season rates and winter schedule both begin on Tuesday, October 13th, following the holiday weekend. It's hard to believe we'll be shoveling snow off the boats soon! As a reminder, changes to our operations continue to remain in place in order to help keep our customers and crew safe. To remain up-to-date on requirements, we recommend that passengers routinely review the [operational updates listed on our website](#) before traveling with us. Please reach out to us with any questions or concerns.

## Holiday Schedule

While there is no separate holiday schedule indicated on [our current revised schedule](#), on October 12, 2020, we will be running the car ferry through the 8:45 PM departure from Peaks.

## Winter Rates & Revisions to Current Schedule Beginning October 13, 2020

Due to COVID-19, we will continue to run reduced service for the winter season. Beginning on **Tuesday, October 13, 2020**, off-peak season rates will go into effect. Also, effective beginning on October 13, a small number of revisions will be made to the current amended schedule. The resulting schedule, [which can be viewed here](#), more closely resembles the winter schedule that would normally be running absent COVID-19.

## 2020 Board of Directors Election

The candidates for the November 3rd election are:

### **Terminal Renovation Project Update**

As the Terminal Renovation Project moves forward, activity at the terminal will likely begin before the end of October. Once work begins, it will take approximately 18 months to complete the renovations. While there will be no disruption to the waiting room, ticket office or public restrooms during the renovation, we will communicate any anticipated impacts to our customers in advance on our website and through this newsletter. More information about the project [can be found here](#).

**Thank You!**
