Old Port Half Marathon on November 6th

The Shipyard Old Port Half Marathon & 5K is returning to Portland on Saturday, November 6th, 2021. Road closures will cause delays for vehicles exiting the CBL terminal driveway between 8:30-9:30 AM, including arrivals on the 8:15 AM ferry from Peaks. Any vehicles wishing to enter the terminal driveway during this time should utilize Commercial Street as the east bound lane will remain open. Please [reach out to the event](#) for more information or with any questions.

Terminal Renovation Update

Significant progress has been made during Phase II/Phase III of the Terminal Renovation Project.

Throughout, there has been an emphasis on improving the terminal entrance to provide visitors with a safer and more enjoyable experience as they arrive at the terminal, either on foot or in their vehicle. As curbing for the sidewalks has been placed, the new dedicated pedestrian walkway through the center of the site has taken shape. This walkway will provide easier access to the terminal and shift pedestrian traffic away from busy freight operations. Other improvements to this area will include additional space in vehicle thru and drop-off lanes for unloading and maneuvering through the site, new wayfinding to guide visitors, and a new bus stop and turn-around area closer to the entrance of the site to alleviate associated congestion. More information and project updates can be found [here on our website](#).
