CASCO BAY LINES ENEWSLETTER

December 2020

Greetings!

Happy Holidays from all of us here at Casco Bay Lines! As 2020 comes to a close, we appreciate that you've followed along with our news and updates through this Casco Bay Lines newsletter. Winter officially begins this month; we encourage all to [sign up to receive our text alerts](#). Text alerts are the best way to obtain information should there be any service changes. To close out 2020, we're sharing information about modifications to the schedule for the upcoming holidays and an update on terminal renovations. Changes to our operations continue to remain in place in order to help keep our customers and crew safe. To stay up-to-date on requirements, we recommend that passengers routinely review the [operational updates listed on our website](#) before traveling with us. Please reach out to us with any questions or concerns.

From the entire team at Casco Bay Lines, we wish you a happy, healthy and safe new year!

Schedule for Upcoming Holidays

Due to COVID-19, Casco Bay Lines is not running our regular seasonal schedule. [The current schedule can be found here](#). The below modifications will be in place for the holidays:

- On **Thursday, December 24th, and Friday, December 25th**, the last trip to Peaks Island is at **9:15 pm (9:45 pm from Peaks Island)**.

There will be no changes to the current schedule for December 31st or January 1st.

Looking for Last Minute Gift Ideas?

Looking for a thoughtful holiday gift? If you happen to have someone who commutes to or from the islands on your nice list, they may appreciate a gift card to Casco Bay Lines! Casco Bay Lines gift cards are available in any denomination and can be purchased at the terminal. Due to COVID-19, we continue to limit transactions to credit card only (Mastercard and Visa).

Terminal Renovation Project Update

As we shared in October, the Terminal Renovation Project is moving forward. Activity onsite is beginning in earnest this

month as we work to complete as much construction as possible during the off-season. Initial activities will include relocation of administrative staff into temporary offices and construction crews onsite to begin preparations for future demolition. Again, we expect the renovations will take approximately 18 months to complete with very limited impact on our customers. We will continue to communicate updates [here on our website](#) and through this newsletter. More information about the project [can be found here](#).

Thank You!

Caitlin Lillard
